On 25-1-2007, W.P.(S) PR No.351/2007 was listed for orders on default, and on which date preemptory order allowing two weeks' time to remove the default was passed. Petitioner in order to remove the default on 25.01.2007 filed an application (I.A.No.1400/2007) for condonation of default pointed out by the Registry on 16/17-1-2007. Registry did not list that application before the Bench and now in view of the preemptory order dated 25-1-2007 has listed the matter.

In view of the reasons assigned in I.A.No.1400/2007, the said application is allowed and the default raised by the Registry is accordingly condoned.

As the application to remove the default has been filed within the prescribed period and now by allowing the application there remains no default to be rectified, the W.P.(S) PR No.351/2007 is restored to its file.

Copy of this order be kept in the record of W.P.(S) PR No.351/2007.

List the case (W.P.(S) PR No.351/2007) for hearing in its due course.
